Our third year of the study will begin starting next month for those who first came in during Oct. of 2015! If you joined the study in the month of October this year or last year, be on the lookout for a call from us to schedule your next appointment!

Please call or text us at 412-589-9013 if you are not sure when your next appointment is or with any questions. Thank you for your continued participation!

September is Suicide Prevention Month!
Suicide is the 10th leading cause of death in the US. Find out how you can:
- Talk to someone you're worried about
- Advocate for suicide prevention
- Have a conversation with your children
- Take care of yourself and your community
And more!
Follow this link: https://afsp.org/take-action/
(American Foundation for Suicide Prevention)

NAMI (National Alliance on Mental Illness) Walk:
Join the ANDP lab and NAMI and walk together to raise awareness of mental illness and raise funds for local, regional and state NAMI organizations! This event brings together people of all ages and fitness levels for a fun 5K walk!

Sunday Oct. 1 @ 10:00 AM

Register here: https://www.namiwalks.org/index.cfm?fuseaction=register.start&eventID=675

What We Know So Far...
We're making great progress, with 208 people in the study so far! We are seeing brain reward regions are activated more when winning money than when there is no reward or loss.

Meet the New Research Associates:

Morgan

Melissa

We are still recruiting children ages 13-19 with a parent or sibling who has depression, bipolar disorder, or schizophrenia. Anyone interested should call: 412-589-9013
